

Important Notice for Interested Companies

This is to inform all interested companies that due to limited time remaining for submission of pre-qualification applications and many requests received from different companies, PSPC management has decided to accept provisionally prequalification applications, as required under ITA 15.3 (Section-2-Application Data Sheet), without:

1. Notarized attestation of company's legal documents from Pakistani Mission in their home country; and
2. Authenticity of information regarding company's experience from their home country Chamber of Commerce with due verification by Pakistani Embassy/ Consulate in Home Country.

However, applicants need to give undertaking along with their prequalification applications that documents have been submitted for notarized attestation/authentication/verification and same shall be submitted within 7-10 days after submission of pre-qualification applications.

Please note that Request for Bids document may only be issued to prequalified applicants who will submit attested/ authenticated/verified documents.
